

REFURBISHED UNITS

Valid until supplies last

DX302C

Economical Natural Convection Oven

Special price
\$780

Capacity	28L
Temperature range	Room temp.+5°C ~ 300°C
Power source	115V

DX402C

Economical Natural Convection Oven

Special price
\$1,080

Capacity	74L
Temperature range	Room temp.+5°C ~ 300°C
Power source	115V

SK101C

Space-Saving, Low Cost Benchtop Sterilizer

Special price
\$840

Capacity	18L
Temperature range	50°C~126°C
Power source	115V

SM300

Standard Laboratory Use Sterilizer with Dryer

Special price
\$3,450

Capacity	32L
Temperature range	105°C ~ 128°C
Power source	115V

BM100

Constant Temperature Water Bath (analog)

Special price
\$140

Capacity	4L
Temperature range	Room temp.+5~95°C
Power source	115V

BM200

Constant Temperature Water Bath (analog)

Special price
\$265

Capacity	7L
Temperature range	Room temp.+5~95°C
Power source	115V

BM400

Constant Temperature Water Bath (Digital)

Special price
\$300

Capacity	7L
Temperature range	Room temp.+5~95°C
Power source	115V
